

# Contents

<i>Editor's introduction</i> . . . . .	vii
<i>The emergence of igneous petrology as a science</i> . . . . .	viii
<i>The stature of Iddings as an igneous petrologist</i> . . . . .	x
<i>The literary quality of the narrative</i> . . . . .	xviii
<i>Editing Recollections</i> . . . . .	xix
 <i>Acknowledgments</i> . . . . .	 xxi
 <b>RECOLLECTIONS OF A PETROLOGIST</b> . . . . .	 1
 <i>Introduction</i> . . . . .	 3
Notes . . . . .	4
 <b>1. Iddings' petrographic education</b> . . . . .	 5
Graduate study at Yale . . . . .	5
The influence of Clarence King . . . . .	5
In Heidelberg with Rosenbusch . . . . .	6
Iddings meets Hague . . . . .	8
Notes . . . . .	9
 <b>2. Assistant geologist with USGS—I</b> . . . . .	 11
Eureka, Nevada . . . . .	11
Washoe District/Virginia City, Nevada . . . . .	13
Early petrographic studies . . . . .	13
New acquaintances . . . . .	14
Petrography of Pacific volcanoes . . . . .	15
Rosenbusch and Zirkel . . . . .	15
Relations with Wadsworth . . . . .	17
Notes . . . . .	19
 <b>3. Assistant geologist with USGS—II</b> . . . . .	 21
Washoe and the relation of rock names to geologic age . . . . .	21
Volcanic rocks of Central America . . . . .	23
Theories of variation . . . . .	24
Notes . . . . .	26
 <b>4. Yellowstone country—I</b> . . . . .	 27
Introduction to Yellowstone . . . . .	27
Return to Eureka . . . . .	28
New Jersey lavas . . . . .	28
Obsidian Cliff . . . . .	28
Rhyolite . . . . .	31

Igneous rock structure in the Gallatin Mountains . . . . .	32
Breccias . . . . .	33
Notes . . . . .	34
<b>5. <i>Yellowstone country—II</i></b> . . . . .	<b>37</b>
Volcanic cores . . . . .	37
Haystack Mountain . . . . .	38
The Crazy Mountains . . . . .	39
A translation project . . . . .	40
Solutions and the crystallization of magmas . . . . .	40
Electric Peak . . . . .	41
Notes . . . . .	44
<b>6. <i>Igneous rock classification and differentiation</i></b> . . . . .	<b>45</b>
The problem of rock classification . . . . .	45
Rosenbusch's new classification . . . . .	45
Collaboration with Rosenbusch? . . . . .	46
Reaction to Iddings' paper on Electric Peak . . . . .	48
The origin of igneous rocks . . . . .	48
Notes . . . . .	53
<b>7. <i>Europe and Chicago</i></b> . . . . .	<b>55</b>
Impressions of John Judd . . . . .	55
A visit with J.J.H. Teall . . . . .	56
Reunion with Rosenbusch . . . . .	57
A visit to Mount Vesuvius . . . . .	58
The Lipari Islands . . . . .	59
Sicily . . . . .	60
Paris and London . . . . .	61
The Fifth International Geological Congress . . . . .	61
The call to Chicago . . . . .	62
Notes . . . . .	64
<b>8. <i>Rethinking igneous rock classification</i></b> . . . . .	<b>67</b>
Approach to the classroom . . . . .	67
A letter from Pirsson . . . . .	67
Replies to Iddings' letter . . . . .	68
The Washington conference and its aftermath . . . . .	69
The four preliminary essays . . . . .	69
More conferences . . . . .	72
A joint textbook? . . . . .	73
Notes . . . . .	75
<b>9. <i>A second trip to Europe</i></b> . . . . .	<b>77</b>
More summer fieldwork? . . . . .	77
Summer of 1893 in Europe . . . . .	78
Camping with Henry Adams and John Hay . . . . .	79
A plea from Johns Hopkins . . . . .	81
Henry S. Washington . . . . .	81
Charles Van Hise . . . . .	82
Notes . . . . .	84
<b>10. <i>The Seventh International Geological Congress</i></b> . . . . .	<b>87</b>
Scandinavia . . . . .	87

The Seventh International Geological Congress . . . . .	90
Post-Congress field excursions . . . . .	91
Notes . . . . .	96
<b>11. <i>The quantitative igneous rock classification</i></b> . . . . .	<b>99</b>
Agitation over the state of igneous rock classification . . . . .	99
Brögger's views . . . . .	99
Iddings' papers on rock classification . . . . .	101
Reaction to the two papers . . . . .	102
International committee on igneous rock nomenclature . . . . .	103
Renewed collaboration on a quantitative classification . . . . .	103
Working relations within the C.I.P.W. quartet . . . . .	104
Discarding and accepting facets of the classification . . . . .	106
Anxiety as the end approaches . . . . .	107
Notes . . . . .	110
<b>12. <i>Reception of the classification and new challenges</i></b> . . . . .	<b>113</b>
Reception of the C.I.P.W. igneous rock classification . . . . .	113
The founding of the Geophysical Laboratory . . . . .	116
Mining litigation . . . . .	118
Brögger in America . . . . .	119
Notes . . . . .	121
<b>13. <i>Major publications</i></b> . . . . .	<b>123</b>
Arthur L. Day and feldspars . . . . .	123
A new textbook on rock minerals . . . . .	124
Directorship of the U.S. Geological Survey . . . . .	125
Adventures at home and abroad . . . . .	126
Volume I of <i>Igneous Rocks</i> . . . . .	127
Retrospect on the summer of 1908 . . . . .	130
Notes . . . . .	131
<b>14. <i>Journey to the Orient: Japan</i></b> . . . . .	<b>133</b>
The Dream . . . . .	133
En route to the Pacific . . . . .	134
In Japan . . . . .	135
Trip to northern Japan . . . . .	136
Return to Honshu . . . . .	137
Notes . . . . .	140
<b>15. <i>Journey to the Orient: Korea and China</i></b> . . . . .	<b>143</b>
Korea . . . . .	143
Fossil hunting in Manchuria . . . . .	144
Iddings in China . . . . .	148
Notes . . . . .	153
<b>16. <i>Journey to the Orient: The Philippines and Japan</i></b> . . . . .	<b>155</b>
Hong Kong . . . . .	155
Luzon . . . . .	155
Iddings assesses the prospects of the Philippines . . . . .	159
Petrological work . . . . .	159
Back to Japan . . . . .	160
Kyushu . . . . .	160
Shikoku . . . . .	162

Back on Honshu . . . . .	163
Notes . . . . .	165
<b>17. Journey to the Orient: The East Indies . . . . .</b>	<b>167</b>
On the China Sea . . . . .	167
Singapore . . . . .	167
Java . . . . .	168
Celebes . . . . .	171
Sumatra . . . . .	173
Notes . . . . .	175
<b>18. Igneous Rocks II . . . . .</b>	<b>177</b>
Homeward bound . . . . .	177
From Aden to Suez . . . . .	177
Genoa to England . . . . .	178
Volume II of <i>Igneous Rocks</i> . . . . .	180
The reception of volume II . . . . .	181
Notes . . . . .	184
<b>19. Problems . . . . .</b>	<b>185</b>
Flashback . . . . .	185
Reaction to “Problems in Petrology” . . . . .	185
The problem of volcanism . . . . .	187
Lectures in Great Britain . . . . .	190
The second journey around the world . . . . .	190
Notes . . . . .	193
<b>20. Return to the East Indies . . . . .</b>	<b>195</b>
On the sea . . . . .	195
In Java again . . . . .	195
Notes . . . . .	198
